## *Message from the President*

Welcome to this year's Skating Carnival "Cinderella on Ice". This show took the combined effort and co-operation of many people. Special thanks must be given to: Our club professional Laurie Heisler for her many hours spent in instructing our skaters and producing this carnival; our professional Sharon Scott for all her help; the helping hands of parents; our hard working carnival committee.

This year has again proven to be a great success. Thanks must go to our club professionals Laurie Heisler and Sharon Scott for a job well done. Also to our amateur coaches and all the skaters for it is you who make up the Nakusp Figure Skating Club.

I would like to take this opportunity to show my appreciation to the skaters, parents, club professionals, and club executive for all their support in the past few years. I hope each and every one of you are as proud as I am of our club. Keep up the hard work and all the very best in the coming year.

Janis Dahlen

## *Message from the Carnival Co-Chairmans*

We would like to extend a very warm welcome to our annual ice show. This year our theme is Cinderella on Ice.

Special thanks to our Pro Laurie Heisler, and the carnival committees for all the many hours spent to make this possible. Also congratulations to our skaters, we wish you all the best.

Thank you audience for coming to our show and supporting our skaters.

Janis Dahlen  
Delores Buerge

## *Our Pros . . . .*

Thanks to everyone who has volunteered their free time in supporting the Nakusp Figure Skating Club!

A special thanks goes to the amateur coaches who contributed their time which was greatly appreciated! Also thanks to the Executive for all their hard work in making this year a success.

As this being my first year coaching, it has also been a very good learning experience and I express my gratitude to everyone for their co-operation and a special thanks to my parents for their encouragement! I'm proud to represent the Nakusp Figure Skating Club as this years coach.

Thank you  
Laurie Heisler

I would like to welcome you to this year's carnival, "Cinderella on Ice." I am happy to have been a part of the club again this year and have noticed a great improvement in all the kids, as I'm sure you will too.

Thank you for your support and enjoy the show.

Sharon Scott
